Press release

GungHo Online Entertainment, Inc.

**GungHo’s highly popular puzzle RPG “Puzzle & Dragons” has achieved over 12 million downloads on a cumulative basis since its release in North America.**

GungHo Online Entertainment, Inc. (“GungHo”) (headquartered in Chiyoda-ku, Tokyo, Japan) (Representative Director, President and CEO: Kazuki Morishita) today announced that the puzzle role-playing game (RPG) “Puzzle & Dragons” of North America version, which is available from GungHo on iOS, Android™, and Kindle Fire devices, has achieved over 12 million downloads on a cumulative basis since its release.

“Puzzle & Dragons” currently has been played by users of 33 countries and regions including Japan. The game has achieved over 46 million downloads in Japan. In the global market, the game has achieved 2 million downloads in South Korea, 2 million downloads in Hong Kong and Taiwan, the number of users has been increasing steadily.

In the North American market comprising the U.S. and Canada, since its release on December, 2012, the number of users has been growing steadily, and the cumulative downloads of the game exceeded 12 million on September 20, 2017.

Under the philosophy of “pursuing business operations to take on challenges and create new products,” at GungHo we will strive to create high-quality game content that can be fully enjoyed by game users around the world.
