GungHo Online Entertainment, Inc. (Headquarters: Chiyoda-ku, Tokyo; President & CEO: Kazuki Morishita; hereinafter referred to as “GungHo”) hereby announces that “Divine Gate Zero,” a new chapter in the panel RPG “Divine Gate” for smartphones, was launched on Tuesday, September 26, 2017.

“Divine Gate Zero” is a new story in “Divine Gate,” a game with over 5.55 million domestic downloads to date and known for its fast action and stylish characters. While maintaining the essence of the game involving battles with the enemy in different panels, we have taken it to the next level of sophistication with stories and BGM featuring new characters and advanced battles with the addition of strategic elements. The action, which takes full advantage of the operability unique to smartphones, will appeal both to gamers who have enjoyed “Divine Gate” so far and those new to the game who are getting started with “Divine Gate Zero.”

Various events within the game are also planned to commemorate the start of this new chapter and the 4th anniversary of the launch of the “Divine Gate” series on Saturday September 30, 2017.

We will continue to hold a number of events for the enjoyment of our many users, and hope that you look forward to playing GungHo’s “Divine Gate Zero.”
